Sub No 20

Subject - Underground drainage work in the Sri Jayachamaraja Wadiyar Extension, in the Davangere town Municipality

Sir,

With reference to your letter No L 145[illegible]/47 dated [illegible]-4-1947 on the above subject, requesting me to ascertain whether the Government grant of Rs 22,729/- sanctioned for the work during the year 1944-45 has been drawn and placed at the disposal of the Sanitary Engineer, I have the honour to state that the President of the Municipality has reported in his letter No 111/46-47 dated 5-6 1947 that the Government grant referred to above has not been drawn as it was presumed that the Government share of the excess cost would be adjusted departmentally. The Sanitary Engineer, in his letter No 1070 dated 22-5-47 addressed to the President of the Municipality, has stated that the Municipality has not placed the Government share of the cost, at his disposal

It is a fact that the Government grant of Rs 22,729/- sanctioned in G O No L C300-3 Ll 30-44-8 dated 31-3-1945 has not been drawn by the Municipality nor has it been adjusted by the Sanitary Department. Not to have drawn the Government ——— grant during 1944-45 is a mistake on the part of the Davangere Municipal office. The President of the Municipality has been requested to see that such mistakes are not allowed to recur in future. I request that sanction of Govt may kindly be obtained for t revival of the Govt grant of Rs 22729/ as already requested in this office letter No A6 C 2358/46-47 dated 2-4-47

The revised estimate of Rs 136125/ for the above work may kindly be sanctioned and a moiety of the excess cost amounting to Rs 6584/

Copy of the letter No.1070 dated 21/22 May 1947 from theSanitary Engineer, Bureau of Sanitary Engineering Bangalore to the President Town Municipal Council, Davaggere

Sir,

Re Underground drainage work in Sri Chamaraja Wadiyar Extension in the Davangere town Municipality

With reference to your No H C 111/46-47 dated 19-5-47 forwarding copy of G O.No L 9800-3 M1 dated 80-44-8 dated 31-3-45 I have the honour to state that the additional Goverment grant of Rs. 22,729/- sanctioned therein has not so far been placed at the the credit of this office Under the existing rules, the Municipal council will have to draw the grant on bills countersigned by the Deputy Commissioner and credit the amount at the disposal of this office The rules do not contemplate direct adjustment of grants sanctioned bythe Sanitary Engineer

In this connection it is to be stated that even the duplicate challan for the Municipal quota of the extra cost amounting to Rs.22,728 has not been forwarded to enable the same being taken to accounts

I request that immediate action may kindly be taken to send the treasury chellan in respect of the amount of Rs. 22,728/- already credited towards excess cost Actmon may also be kindly taken to obtain sanction of Government for revival of the lapsed grant of Rs. 22,729/- sanctioned during 1944-45 in case it has not been already drawn
